PROBING CONDITION OF MINERS

**Debs, Berger and Germer
In West Virginia
Coal Fields**

COPY OF THE FINDINGS

**To be Sent President Wilson
—Peace Prevails in the
Kanawha District, the
Men Having Return-
ed to Work.**

[Associated Press Telegram]
Charleston, W. Va., May 17.—Eugene V. Debs, Socialist candidate for president of the United States, Victor L. Berger, former Socialist member of congress from Milwaukee and Adolph Germer of Illinois, are expected here today to investigate conditions of miners in West Virginia as a result of the strike of coal miners in Kanawha county.

Appointed a committee by the national Socialist party, the three men, it is said, have been authorized to send a copy of their findings to President Wilson.

The situation in the coal fields of West Virginia is undecided. In the Kanawha fields there seems to be a condition of peace, the miners having returned to work as a result of proposals of Governor Hatfield, providing for a check weighman, a tonnage of 2,000 pounds, a semi-monthly pay and prevention of discrimination.

The United Mine Workers of America, as a union, however, has not been recognized by the operators. A majority of the American miners have quit the Kanawha field and accepted positions in adjoining coal fields.

Conditions in the new river coal fields are uncertain. In this field, recently was organized district No. 29, United Mine Workers of America with a membership of 15,000. At a special convention of the miners the coal operators granted all asked by Governor Hatfield in his recommendations to the Kanawha field, but refused to meet with the miners.

The resolution of Senator Kern of Indiana, now before the United States senate providing for a federal investigation of the labor trouble, is accepted here and in the coal fields with conflicting emotions. A majority of the miners favor the civil government intervention and while the state authorities do not oppose it, it is said such an investigation is not warranted.

In addition to several supreme court decisions giving the right to strike executives to declare martial law, suspend the functions of the civil authorities, and arrest and detain persons whom he believe are aiding and abetting an insurrection. Judge Samuel D. Littlepage of the circuit court, yesterday upheld the right of the government to do such things under procedure of martial law.

MRS. LINCOLN'S "BITTER LETTERS" TO BE AUCTIONED

[Associated Press Telegram]
New York, May 17.—What are known as Mrs. Lincoln's "bitter letters" are said to be sold at auction here next week. The collection consists of twelve letters written by the widow of the martyred President in the years just following his assassination. In some of them Mrs. Lincoln was almost hysterical in upbraiding congress for not providing for her and in her denunciation of General Grant.

One letter, written in August, 1865, asks a friend to try to sell the black lace gown which Mrs. Lincoln wore at the second inauguration "for two hours only." In order to raise money

A Method Which the Government Has Stopped Because of Popular Outcry Forcibly Feeding a Militant Suffragette in An English Prison

Forcible feeding has practically been abandoned in Great Britain since its failure several weeks ago in the case of Mrs. Pankhurst. She was sent to prison for a long term when the campaign of bombs and burning began, but when she refused to eat and grew weak the British home secretary, Reginald McKenna, decided on a new course. She was freed, and since has been quiescent.

Heretofore the British government would not permit photographers to get pictures of this operation, and the one shown here is the first to come to the United States. In this picture it will be seen that the physician in charge is pouring liquid food down the mouth of the recalcitrant votes for women advocate.

President Disregards the Endorsements Obtained by Individual Signatures

Washington, May 17.—President Wilson has disregarded the efforts to take the postoffice patronage of the thirteenth Ohio district from Congressman John Key of Marion, and sent to the Senate the nomination of four postmasters recommended by Key as follows: Herman Wensinger, Fremont; Frank T. Campbell, Marion; W. F. Uhle, Africa; C. A. Weidaw, Bloomville.

A few days ago it was announced that Congressman Key had turned down all executive committee endorsements from his district that had been obtained by individual signatures and refused to recognize them and the effort to have them named over Key's recommendations was not even considered by the President.

COMMUNICATION UNAUTHORIZED STATES BRADY

[Associated Press Telegram]
London, May 17.—The resolution of protest against the nomination of Walter H. Page as United States ambassador to Great Britain was introduced by W. Coffey, a member of the executive committee of the London Trades Council on the strength of a letter written on paper bearing the letter head of the Allied Trades Council of Greater New York and signed by Charles L. Conway, secretary of the National Brotherhood of Bookbinders.

After describing Walter H. Page as a member of the firm of Doubleday, Page & Co., the letter says: "This concern is bitterly opposed to organized labor. The only department that forced recognition from the union standpoint was the bookbinders, but they are now on strike, being forced out, as the policy of the firm is to replace men with boys."

The letter also says that the International Typographical Union, local No. 6, continues the firm on the "unfair" list and that the men who had been secured to take the strikers' places rebelled and struck without the aid of any organization. The letter concludes by asking all "the organized labor of the United Kingdom to assist us in giving this matter the widest publicity, and also to file a protest to our government on its selection and its protection to your own government for its acceptance of this man."

The National Brotherhood of Bookbinders is an "outlaw organization, expelled two years ago from the International Brotherhood of Bookbinders, according to Peter J. Brady, secretary of the Allied Printing Trades Council of Greater New York. It has been repudiated, he said, by the American Federation of Labor. Mr. Brady announced today that he proposed to write a letter to President Wilson and Ambassador Page, explaining that Conway's communication was unauthorized, either by the Printing Trades Council or by the International Brotherhood of Bookbinders, and that he would also inform the London Trades Council.

"Whatever may be the conditions at the Doubleday, Page plant in regard to union labor," Mr. Brady said, "we have no desire to embarrass the administration by any such tactics as those employed by Con-

Requests State Troops Be Sent To Queen City

TARIFF BILL IN COMMITTEE FOR TWO WEEKS

[Associated Press Telegram]
Washington, May 17.—Neither the senate nor the house was in session today and consideration of the tariff bill had passed from the senate floor to the finance committee, where it will remain for at least two weeks.

Chairman Simmons announced that the sub-committee considering the various schedules would not be ready to report for some days. One committee is now at work on the wool schedule, another is considering protests against the cuts in the cotton goods rates, while a third today gave a hearing to Assistant Secretary General Denison and Assistant Secretary Cuitis of the treasury department, who proposed amendments to the administration features of the bill.

Among the changes they advocate is one to give the treasury the right to proclaim general valuations of imports, irrespective of foreign markets, upon which to base ad valorem tariff rates.

LAUER SENTENCED TO TEN YEARS IN OHIO PENITENTIARY

[Associated Press Telegram]
Cleveland, O., May 17.—Henry Lauer today was sentenced to ten years in the penitentiary for killing Stephen Clatworthy three weeks ago.

James Nelson, a boarder in the Lauer home, was sentenced to the penitentiary for twenty years. Lauer testified that he had killed Clatworthy by mistake, as he had intended to take the life of Nelson. He then explained that Nelson had been intimate with his wife and fourteen-year-old daughter. Nelson admitted this and then was convicted on a charge of attacking the young girl.

STENOGRAPHER CHARGES HEETER UNDULY FAMILIAR

[Associated Press Telegram]
Pittsburg, May 17.—The investigation of alleged immorality against S. L. Heeter, superintendent of the public schools of Pittsburg, now in progress by a committee of citizens composed of bishops, ministers and business men, took a new angle late yesterday when a former stenographer in Heeter's employ made affidavit of "undue familiarity" which caused her to quit her position, she states. Heeter brands her story as "another malicious lie."

Heeter, charged by domestics in his home of two serious offenses, was tried in criminal court and acquitted. Other charges brought on the present investigation. The mother of the school superintendent recently died at North Manchester ind., and the probe was halted. Meanwhile school children remained away from school and thousands of them paraded the streets carrying banners inscribed "Kick Heeter Out."

The committee of citizens appointed by the board of education, has held one meeting. When the next meeting will be held is indefinite because of the reluctance of witnesses to appear before the body although assured that their names and testimony are to be kept secret.

ANHUT RECALLED IN BRIBERY CASE

[Associated Press Telegram]
New York, May 17.—John H. Anhut, the young attorney accused of trying to get Harry K. Thaw out of Matteawan insane asylum by bribing the superintendent, finished his testimony in his own defense today. Although both sides rested yesterday, Anhut was recalled to produce his office records which he said would prove his assertion that he accepted \$25,000 from Thaw as a contingent fee for his services in trying to release his client by proper legal methods. He had begun to prepare the necessary legal papers he said, prior to January 1, last when half the money was returned to Thaw under their agreement. Anhut was the last witness counsel summoned up this afternoon.

HUMAN FLESH IS LUXURY AT THIS BANQUET

Sydney, N. S. W., May 17.—Cannibalism in its worst form exists among the natives of the New Hebrides islands, in the South Pacific, according to a statement today by Rev. Thomas Gillan, at the Presbyterian assembly of New South Wales, in support of previous statements made in connection with the islands. Human flesh is looked upon as a luxury and tribal wars invariably end with a "banquet" uncheck by the authorities, he declared.

Mob Wrecks Four Street Cars and Traction Co. Has Abandoned Service On All Its Lines

NUMBER OF MEN HURT AND RUSHED TO HOSPITAL

Governor Cox After Thorough Investigation and a Consultation With Adjutant General Wood Refused to Send Militia Stating That Local Authorities Had Not Exhausted All Their Resources.

[Associated Press Telegram]
Cincinnati, O., May 17.—Hurried appeals were sent this morning to Governor Cox and Adjutant General Wood, of Ohio, asking that the militia be rushed to this city to take charge of the street car strike situation. This means of protecting the operation of street cars was only resorted to by Mayor Henry T. Hunt after a series of assaults on cars that were not personally conducted by police had taken place. As the result of these attacks, three men are lying in the hospital in a serious condition while more than a dozen others were severely beaten.

Four cars were completely wrecked and left standing in the streets, and the traction company had been forced to abandon all efforts to operate cars in the western section of the town while only a few cars were to be seen running through the resident district of Avondale and Walnut Hill.

The first trouble started at the Brighton car barns early in the day. The first car started out was immediately blocked by an automobile truck. In a moment a crowd had gathered and in another moment it appeared as though 500 men were attempting to mob the crew as well as the employees of the company who were riding on the car. They were pulled, beaten and kicked, and after the police had rescued them were removed to the hospital.

Probably the most spectacular attack occurred in the center of the city when a huge steel brace, bags of cement and other missiles were hurled from the upper floors of the Union Central Life Insurance building. Some of the cement was hurled from higher than the twenty-ninth floor and several pedestrians were bruised and cut. The car was completely wrecked and left in the street.

In Madisonville where the cars were operated for the first time today, one of them was attacked, the crew driven off into a nearby woods and the men who committed the assault took their time about dismantling and wrecking the car.

Today for the first time the police did not ride in the cars but were stationed along all routes at intervals of every fifty feet.

An Elberon avenue car was attacked at Fifth and Central avenues a short time later and partially wrecked. The conductor and motor-man were severely beaten and the quick work of the police in rescuing them probably saved their lives. They were hurried to the hospital where their condition is pronounced critical.

One hundred of the men imported here by the company and housed at the Avondale car barns, after hearing of the attacks in other parts of the city immediately opened negotiations with the strikers and agreed to leave town if escorted to a depot.

This is the first break in the ranks of these men. The telegram sent by Mayor Hunt to Adjutant General Wood follows: "Under section 5316 of the General Statutes of Ohio, I, Mayor of the city of Cincinnati, notify you that there is in this city a tumult, riot, mob and body of men acting together with intent to commit felonies and offering violence to persons and property and by force and by violence breaking and resisting the laws of the state. I, therefore, and hereby call upon you as commanding officer of the national guard of Ohio, to order your command to the city of Cincinnati immediately. I also call upon you to transmit this call to the commanding officer of every regiment, battalion, company, troop and battery in the state of Ohio, to appear Sunday, May 18, at 10 a. m., at the City Hall, in the city of Cincinnati, to act in aid of the civil authorities. Reply immediately. (Signed) HENRY T. HUNT, Mayor of Cincinnati."

This telegram was sent after Gov. Cox had informed Mayor Hunt that he did not consider the situation in Cincinnati at that time warranted the sending of troops. The traction company at noon ordered a suspension of all service and once more not a car was in operation on its lines. Fears were entertained by the police that there would be serious trouble today if the traction company officials further extended the operations of cars, in their efforts to break the tie-up caused by the strike of motormen and conductors. It being Saturday, many workmen who have a half day holiday, would be on the streets, and consequently the police would be hampered by larger crowds if trouble broke out. The company announced that it would open additional lines. Yesterday four out of thirty-eight lines were in operation. As far as known there are no negotiations now on for a settlement of the strike. Both sides appear determined to fight it out to a finish. Beginning today the Amalgamated Association of Electric and Street Car men will pay \$5 a week to all the men now on strike. Following the receipt of the telegram (Continued on page 2, col. 3)

Street Parade of New York City Employees Today Was Over Six Miles in Length

[Associated Press Telegram]
New York, May 17.—Twelve thousand city employees turned out today to give New York an object lesson in municipal government. The lesson was a street parade over six miles long, made up of men and vehicles from nineteen city departments. The police and fire departments in the past have paraded annually, but today's procession was the first in which all the various municipal departments united.

The fire department headed the line with 1495 men and twenty-two pieces of apparatus, all that could be spared with safety to property, three floats, 13 trucks and the police brought up the rear. 7,211 strong with 35 vehicles. The divisions between composed the other municipal workers, many in uniform and all accompanied by the implements and vehicles of their work. There were 560 vehicles in all and forty-three bands.

Next to the police, the largest division was the street cleaning department with 1,770 white uniformed sweepers and dockmen and 351 dump carts and sweeping machines. The department of parks added variety with cages of animals from the Central Park zoo, headed by trick elephants.

In Case of War Sympathies of Several Countries Would Be With the United States

[Associated Press Telegram]
London, May 17.—"Should war break out the sympathies of Australia, New Zealand and Western Canada would be violently on the side of the United States," says the Pall Mall Gazette today in discussing the California alien land ownership controversy.

The newspaper considers that it would be a grave mistake to underestimate the chances of a conflict between the United States and Japan. It says: "The opinion that the Japanese will never go to war to enforce their

rights in California is one of the most dangerous generalities which lead nations blindfold to the brink of the pit." The Pall Mall Gazette expresses the opinion that there are several reasons why Japan may be desirous of forcing the issue at the present moment. The most obvious of these is the pending opening of the Panama canal while a more remote one is connected with the condition of her international policies. The article continues: "The point at issue the exclusion of Asiatics from permanent settlement touches the British empire very dearly."

TOO ILL TO PITCH, WILLIE'S TEAM LOST; HE DIED OF BROKEN HEART SAY DOCTORS

[Associated Press Telegram.]
St. Paul, Minn., May 17.—Had I pitched my school would have won the pennant, but it's too late now, we've lost," Willie Lister, 11, champion pitcher of St. Paul grade schools, sobbed these words, buried his face in bed clothing and died of a broken heart.

Willie attended class at Baker school Wednesday. That afternoon he won his third consecutive victory, pitching a two-hit, no-run game.

Thursday's battle was to decide his school's pennant chances. He worried, causing a headache, and was detained at home. The new pitcher lost the game. When the principal and comrades called on Willie yesterday he still was confined to his bed with a headache.

"What's the score," he cried. They told him, and a moment later he was dead. Physicians say death was due to a broken heart. Physicians placed Willie's baseball suit over the body.

MATTY'S JOB SAFE FOR SEVERAL YEARS

Boston, Mass., May 17.—When Mathewson's days of usefulness as a pitcher for the New York Giants have ended, Manager McGraw is to tender him a three-year contract without reduction in salary. The extended contract will be without the usual clause for a ten-days' notice of release. McGraw recently announced of this plan of retaining his star pitcher to Manager Tinker of the Cincinnati Nationals, according to a statement by Tinker yesterday. That Mathewson would earn his salary as a coach of the Giants' young pitcher, aside from any consideration of the services he has rendered the New York club in the past decade, was McGraw's reason as Tinker gives it, for thus continuing the veteran on the "pay roll."

Matty's career as an active pitcher has still some time to run, the New York manager is said to have said.

TWO MORE WANT IN FEDERAL LEAGUE

Chicago, May 17.—President Powers of the Federal League announced yesterday that Kansas City and Milwaukee have made application for membership in the new league after W. H. Lickinger, representing Milwaukee interests, conferred with Powers. The name of the Kansas City applicant was not made public.

President Powers said that probably the applications would be acted upon favorably, but that the new teams would not be put in the field until 1914, as it is not desired to disturb this year's schedule.

MULLIN SOLD TO WASHINGTON CLUB

Detroit, Mich., May 17.—Pitcher George Mullin, in point of service the oldest member of the Detroit baseball club, was sold last night to the Washington Americans for \$25,000. Mullin joined the Tigers in 1902, and three times helped to pitch Detroit into the American league championship. His showing this spring has not been satisfactory to Manager Jennings. Mullin said he was glad to have a change of scene, and declared he still could pitch as good ball as he ever did.

Mammoth Crowd For "Chance" Day at Chicago Park

[Associated Press Telegram.]
Chicago, May 17.—With fair weather it was predicted that a record breaking crowd would be at the American league baseball park this afternoon to witness the ceremonies of "Frank Chance day." There are seats for 12,000 persons. The largest paid attendance in the history of baseball is 32,281 at the Polo grounds in New York on the opening day of the world's series in 1911.

The rapidity with which the reserved seats sections were taken and the enthusiasm of local baseball followers have led the management to believe that the greatest crowd which ever saw a game will see the game this afternoon.

REQUESTS TROOPS

(Continued from page 1.)
gram from Governor Cox in which he informed Mayor Hunt that he would not call out the militia, the mayor was notified that a ruling by Attorney General Hogan held that it was in his power under the law, to call out all the militia in this county without the sanction of the governor. Only three companies, composed in all of 145 men, are located here and the mayor dismissed the suggestion that he use these with the statement "this force would be entirely inadequate."

There was no resumption of the rioting during the afternoon after the traction company ceased operating the cars.

Mayor Hunt announced that he would have a petition filed in the common pleas court here at 4 o'clock this afternoon asking that a receiver for the Cincinnati Traction company be appointed. The petition will be filed by City Solicitor Bettman, on behalf of the city of Cincinnati, and the allegation will be that this action was necessary to protect the interests of the public and likewise of the holders of Cincinnati Street Railway company stock. The latter is owner of the franchise from the city for the use of the city streets, while the traction company is the operating company and owner of the rolling stock, with right to operate under the franchise upon payment of specified rental to the street railway company.

GOVERNOR REFUSES TO ORDER OUT THE STATE MILITIA

[Associated Press Telegram.]
Columbus, May 17.—In a rebuking telegram to Mayor Hunt of Cincinnati, Governor Cox shortly afternoon today refused to call out the militia to quell disturbances in the Cincinnati street car strike. The telegram was in answer to a request made to the governor by the Cincinnati mayor that troops be ordered to the scene.

The governor declared that troops would not be called until the local authorities had exhausted their strength.

"In view of your having placed no policemen on the cars we do not believe the statement made that you have exhausted your resources, predicated on the facts," said the governor's telegram.

Mayor Hunt had wired the governor early in the day:

"There is an imperative need for troops. We have exhausted our resources."

Governor Cox closed his telegram to the Cincinnati mayor by stating that when it has been demonstrated that the Cincinnati authorities have exhausted their strength in keeping order, there will be no temporizing on his part.

The governor further stated that when cars were run in Cincinnati today they were not given the same measure of protection that has been rendered in the past; that police were not placed upon them. "It seems beyond dispute that there is no disorder except when an effort is made to run the cars, and the trouble today manifestly grew out of your directing the company to put more car lines into operation."

Governor Cox advised no cars be run until the acute stage had been passed. In this respect, he said:

"It has been my observation that in such a crisis as this, it is unwise to attempt to run cars until the acute stage is passed, because no practical utilities are afforded since the people under these circumstances do not ride on the cars any way."

[Associated Press Telegram.]
Columbus, May 17.—At 11 o'clock today Governor Cox said that he would not order troops to Cincinnati on the situation as represented at that hour. Later the governor went into conference with Adjutant General Wood, Attorney General Hogan and others at which the strike situation was being considered. Representative Robert Black of Cincinnati was also one of the conferees.

Governor Cox and Adjutant General Wood were in communication with Cincinnati officials by long distance telephone during a part of the forenoon. While no official statement was issued at the governor's office it was understood that state officials are inclined to view the situation in Cincinnati from the same stand they took upon the Akron strike recently. In that instance the request of the mayor for troops was refused upon the

ground that the local authorities had not exhausted the resources at their command.

At 12:15 this afternoon Governor Cox sent the following message to Mayor Hunt, refusing to call the national guard:

"Hon. Henry T. Hunt, Mayor, Cincinnati, Ohio:

"Last midnight you advised me by telephone that if an effort would be made to run any more cars, it would lead to trouble, and that we should have troops in readiness to help. My information is that an attempt was made to operate over lines which were not running yesterday, but that this was done pursuant to your direction, issued to the Cincinnati Traction company."

"Our advisers are that when these cars began operation this morning they were without the same measure of protection that you rendered yesterday and no officers of the police department were on the cars that were attempted to be run. Subsequent to this information we received your telegram in which you say that there is an imperative need for troops and you further declare 'we have exhausted our resources.' It has been our observation that in such a crisis as this it is unwise to attempt to run street cars until the acute stage is passed and public sentiment crystallizes, because the people under these circumstances do not ride on the street cars anyway. It seems beyond dispute that there is no disorder except when an effort is made to run the cars, and the trouble today manifestly grew out of your directing the company to put more car lines into operation. In view of your having placed no policemen on the cars, we do not believe that the statement made that you have exhausted your resources is predicated on the facts. Now, the attitude of the state government is this: In times of riot and disorder it is the function of the state to supply troops for the purpose of conserving life and property and preserving the peace and good order of the community affected. But it is a dangerous departure to take this step until it is perfectly apparent that the local authority has exhausted its strength. When that has been demonstrated there will be no temporizing at this end."

(Signed) "JAMES M. COX, Governor."

Errors Many in the Denison-Miami Game

Granville, May 17.—Denison defeated Miami in a game full of heavy hitting by the home team and errors. Biggs, who started for Denison, was replaced by Schwagman in the eighth. Reese's home run featured, while the batting of Roubush and Ashby was prominent. Denison plays Westman at Delaware today and hopes to win its third conference game. Score: D. H. E. Denison ... 3 0 1 0 2 0 0 1 8 11 7 Miami ... 0 0 2 1 0 0 0 0 8 5 4

HAD ECZEMA TWENTY YEARS

And Was Cured Completely in Two Weeks Time by the Use of Goodhair Soap.

"Gentlemen: I have been sick, I may say, for the last 20 years; went to Hot Springs, Ark., Paul, Minn., and other places, and was benefited while there but when I came home I was the same old story. At 23 God, I would be awake at night and scratch until I was exhausted and then I might sleep for an hour, but my sleep would only be the cause of more torture when I would wake up. My itching was the worst on my head, face, arms and legs. Sometimes the burning sensations are enough to drive me crazy. I have no more of any kind on me, only a dry scaly skin, or it is raw and very tender. I have spent a fortune in medicine, but I have not been cured. I have taken two boxes of Goodhair Soap in two days. I could not say how many bottles of Goodhair Soap I have used. I have not more eczema. I have delivered more BENEFIT FROM GOODHAIR SOAP THAN ANY OTHER. I CAN GO TO BED NOW AND STAY UNTIL I AM READY TO GET UP IN THE MORNING. SOMETHING I HAVE NOT DONE IN TEN OR FIFTEEN YEARS. I have told three friends of mine who are troubled and they said they could not get that soap here. The drug clerk said he had not heard of it before. I shall never forget the kindness of Dr. Hughes of Garrett, Ind. He has done everything in his power for me. Everything he has heard of, he has said me to do, and now through his kindness, AND YOUR WONDERFUL SOAP, I hope to spend a few happy and peaceful years or months on earth. Hoping you will send me a box of Goodhair Soap at your convenience, I remain, with many thanks for your trouble."

THOMAS RYAN, 8713 Superior Ave., South Chicago, Ill. If your druggist will not supply, send 3c. Goodhair Soap, and 25c to Goodhair Remedy Co., Newark, Ohio. Sample on request.

OLD WAR VETERAN MUCH ASTONISHED

SAYS HE THANKS GOD HE HAS AT LAST FOUND THE DOCTOR WHO COULD CURE HIM.

UNITED DOCTORS PRAISED. Kidney and Bladder Trouble Caused Years of Suffering to Aged Soldier.

It is more than gratitude—it is the wish that others know where to get relief that prompts ninety-nine out of one hundred benefitted or cured patients to make public statements regarding the results given them by the United Doctors, who have their Newark institute on the second floor, No. 40 The Arcade.

An example if this is the case of Mr. George W. O'Brien of Dayton, Ohio, a soldier of the days of '61, who though now seventy years of age kept his faith in medical science that he could be cured if he but found the doctor or doctors who thoroughly understood his case.

Suffering from kidney and bladder trouble for several years he has sought every means of relief known to his friends and other physicians but without result. Finally there seemed to be to him but one more hope and that was to try the new system of medicine of the United Doctors.

This was but months ago and Mr. O'Brien now states his condition as follows:

"I am much astonished at the quick results that were obtained. I am 70 years of age and I have served in the civil war. I wish to say that I can now go to a day's work again and this with a light heart and with thanks to God that I found at last the doctors who have cured me. The wonderful results that have been obtained in my case make the cost insignificant."

The United Doctors grand offer of free treatment, free examination and free consultation except for the approximate cost of medicine and distribution closes May 20th.

For the Weak and Nervous
Tired-out, weak, nervous men and women would feel ambitious, energetic full of life and always have a good appetite, if they would do the sensible thing for health—take Electric Bitters. Nothing better for the stomach, liver or kidneys. Thousands say they owe their lives to this wonderful home remedy. Mrs. O. Rhinevaunt of Vestal Center, N. Y., says: "I regard Electric Bitters as one of the greatest of gifts. I can never forget what it has done for me." Get a bottle yourself and see what a difference it will make in your health. Only 50c and \$1.00. Recommended by F. D. Hall.

(4) Paving the roadway of Elmwood Avenue from Log Pond Run to Shields Street.

According to plans and specifications on file in said office. Each bid must contain the full name of every person or company interested in the same, and be accompanied by a certified check, on some solvent bank of the City of Newark, Ohio, payable to the Director of Public Service, for an amount equal to ten per cent. of the bid, as a guarantee that if the bid is accepted, the contract will be entered into and its performance properly secured. Should any bid be rejected, such check will be forthwith returned to the bidder. Bids should not be accepted, such check will be returned upon the proper execution and securing of the contract.

Bidders are required to use the printed forms, which will be furnished on application.

Sealers of brick pavement are required to deliver to the City Engineer, five samples of the brick or block bid on, prior to the filing of bid.

The right is reserved to reject any and all bids. JAMES MCCARTHY, Director of Public Service, May 24th, 1913. 5-10 sat 1t

LICKING BOY WON THE STATE CORN TROPHY

George O. Wilson, 14, of Newton Township, One of the Best Boy Corn Growers in Ohio.

George O. Wilson, 14, of Newton township, about four miles from the north city limits of Newark, who won the trophy cup at last year's Ohio State Corn Show and other prizes for the largest yield per acre, has entered the corn growing contest this year for a free trip to Washington, and announces he will try to win, but if unsuccessful he will sell his corn and go to Washington anyhow.

Last year this young man's corn when weighed produced 86 1-2 pounds of shelled corn from 100 pounds of ears.

In announcing his intention to compete for one of the eight trips already offered from this county Master Wilson writes the Advocate as follows:

Editor of The Advocate: Dear Sir: At your request you will find enclosed a true statement of my Acre of Corn Contest of 1912, as there wasn't any free trip offered by Licking county.

I would have had to spend my own money to have gone to Washington.

I received a check from the Weekly Enquirer of Cincinnati for second

\$3.50 RECIPE CURES WEAK KIDNEYS, FREE

Relieves Urinary and Kidney Troubles, Backache, Straining, Swelling, Etc.

Stops Pain in the Bladder, Kidneys and Backs.

Wouldn't it be nice within a week or so to begin to say goodbye forever to the aching, dribbling, straining, or frequent passage of urine, the tired and aching back-of-the-head aches, the stitches and pains in the back, the growing muscle weakness, spots before the eyes, yellow skin, sluggish bowels, swollen eyelids or ankles, leg clamps, unnatural short breath, sleeplessness and the despondency?

I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$2.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. B. Robinson, K. 1234 Lack Building, Detroit, Mich., and I will send it by return mail in plain envelope. As you will see when you get it, this recipe contains only natural herbs and remedies, but it has great healing and pain-conquering power.

It will quickly show its power once you use it. I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.

SEA FOOD DINNER FOR ELK OUTING NEXT THURSDAY

The first annual outing of the season for the Newark lodge of Elks will be held at Beach Island next Thursday and the opener promises to be one that will long be remembered.

The new entertainment committee, Messrs. Wm. H. Broome, Frank Schimpf and Frank Garrison will endeavor to make the occasion one of unalloyed pleasure and have prepared a menu that will be more than appetizing and a program of events that will afford all visitors a royal good time.

The committee has secured of the Boggs Arcade market a monster deep sea turtle weighing 150 pounds and experienced chefs will serve it as the first course of the sea food dinner which will be served at 1 o'clock.

It was originally the intention to give a clam bake but that has been postponed until a future date. Mr. Boggs has secured for next Thursday in addition to the turtle, deep sea bass, lobsters and soft shell crabs, and with head lettuce, young radishes, onions and cucumbers, the dinner will be one of the red letter affairs in the history of Elkdom.

The amusement program will not be announced until the big club house is reached on the island but it will be worthy of note to say the members of the committee. Special stunts have been arranged by Messrs. Broome, Schimpf and Garrison, and there will be plenty of entertainment throughout the day.

Special cars will leave the interurban depot at 9 a. m. and will be met at the park by a committee provided with launches for a delightful ride around the lake before stopping at the island. Any Elk missing the first big day will regret it for the balance of the summer.

OPENING OF NEW SCHIFF STORE IN EAST PARK PLACE

The formal opening of the new, up to date store of A. Schiff in East Park Place for the sale of women's, misses and children's garments, was held on Saturday.

Mr. Schiff occupies the room formerly utilized as a grocery by Mrs. Mary Miller, and it is an ideal location for a woman's department store. The light is especially good, the room is wide and runs back 115 feet. It is especially well fitted for the display of the stock. The room has been redecorated, in two tones of tan, and for the opening was filled with ferns and palms.

The new store will carry a complete line of all ready to wear garments of women, misses and children. Mr. Schiff, owing to the late opening, paid little attention to spring styles, but carries a large line of summer goods.

The proprietor was engaged in this business in New York City and later in Huntington, W. Va. He has been located in Newark for a number of years engaged in the business of chinaware, in the store known as The Fair in the Arcade. The new store will be given his personal attention, and his business reputation in the past speaks success for the new business. Mr. Schiff says that his motto is "Satisfaction to all."

The store was very attractive in the opening day and was thronged by hundreds of women who viewed with admiration the many beautiful and charming bits of feminine finery. Each visitor to the store was given a dainty souvenir.

Best Medicine for Colds. When a druggist recommends a remedy for colds, throat and lung troubles, you can feel sure that he knows what he is talking about. C. Lower, druggist of Marion, Ohio, writes of Dr. King's New Discovery: "I know Dr. King's New Discovery is the best throat and lung medicine I sell. I cured my wife of a severe bronchial cold after all other remedies failed." It will do the same for you if you are suffering with a cold or any bronchial, throat or lung cough. Keep a bottle on hand all the time for everyone in the family to use. It is a home doctor. Price 50c and \$1.00. Guaranteed by F. D. Hall.

Imports into Bosnia-Herzegovina now average about \$30,000,000 annually.

JUNIOR PLAY LAST NIGHT WAS GREAT SUCCESS

About one thousand people witnessed the production of "The School for Scandal" Friday evening by the junior class of the high school.

The play is by Sheridan and was originally acted at Drury Lane theatre, May 8, 1777, after which it had a run of about five years with various companies in different parts of the globe. It is always recommended by critics as a standard high school drama when a heavy play is desired. The scene is laid in England in about the year 1750.

Considering the cast as a unit the dramatic personnel could scarcely have been improved upon and would have rivaled many professional companies. For the role of Sir Peter Teazle, Theodore Neal seemed to have been specially created. As Sir Olive Surface, his friend, Donald Kissane made a big hit and Charles and Joseph Surface impersonated by Philip Rhodes and Paul Needham were the recipients of much praise.

That pair of scoundrels Crabtree and Sir Benj. Backbite portrayed by Belford Cheadle and Karl Ankele were there with the sarcastic calumny. Wilfred Rawlings who acted the part of Rowley showed his capacity for a heavier role. Moses, a money lender, portrayed by Harry Siegle was the very incarnation of Shylock and his Jewish dialect was excellent. Harry Douce in the difficult role of Snake, a friend of Scandal, was the surprise of the evening and Thurman Huffman, Dode Fulk, Jerome Norpell and Willis Handel in the respective roles of the inebriate Careless, Sir Henry Bumper, Trip and Sir Peter's servant will not be forgotten. Juliet Besuden as Lady Teazle again displayed her well known ability to the delight of the audience.

Stella Cunningham in the role of Maria was very petite, while those two cynical gossips Lady Sneseewell and Mrs. Andour represented by Grace Jones and Catherine Sachs were very clever.

The play was exceptionally entertaining because of masterful phaseology of the especially clever repartee which really was the dominate feature. This quality, combined with the elaborate costumes which the time and date offered and unusual talent of the cast characterized the production as among the best in recent years.

About forty-five dollars was cleared on the magnificent souvenir program and approximately a total of two hundred and twenty-five dollars was realized on the play and program combined. One hundred dollars of the proceeds will be added to the fund for the White Athletic Field and playground and the remainder will be placed in the class treasury.

TICKETS READY FOR MOOSE MINSTREL ON NEXT TUESDAY EVE.

A movement that must surely meet with approval and co-operation of the public was recently started by the local lodge of Loyal Order of Moose when they decided to put on a charity minstrel for the benefit of flood sufferers of Zanesville.

The Auditorium has been secured for Tuesday, May 20. The cast is made of Zanesville members of this order, the families of some of whom lost all they had in the recent flood.

Advices from Zanesville where the same minstrel was successfully put on are to the effect that the talent making up this troupe is distinctly high class and that the show will compare favorably with the better class of professional minstrelsy.

Among the many excellent features is a fancy exhibition drill by the Zanesville lodge's crack degree team, wherein the famous wall scaling scene occurs. This alone is worth the price of the admission.

Considering the purely charitable

HEAD COVERED WITH WHITE PIMPLES

Went to Ear, Shoulders and Whole Body. Thick and Sticky on Head. Eruption Covered With Blood. Cuticura Soap and Ointment Cured.

Ransom, Ill.—"The trouble started on our baby when he was only about two weeks old. Started like little white pimples. Looked like an old crab of blood and matter. His whole head was covered for a few months then it went to his ear, shoulders, and his whole body. It seemed to come out thick and sticky on his head, while on the other parts of his body it was more like water coming out of the skin. He would scratch until the eruption would be all covered with blood and gradually spread. The last little bit of rub would cause the sores to bleed, spread and itch. Never had a full night's sleep, restless all night.

"The sores were horrid to look at. It lasted until he was about two and a half years old. Then we saw an eczema advertisement in the paper to use — — —, but it did no good. Then we used Cuticura Soap and Cuticura Ointment. We put the Cuticura Ointment on thick at bed time and put a tight hood on so he could not scratch the sores. Then we washed it clean with Cuticura Soap and warm water twice a day, and he was completely cured." (Signed) Mrs. E. F. Sulzberger Dec. 30, 1911.

Cuticura Soap and Cuticura Ointment are sold throughout the world. Liberal sample of each mailed free, with 32-p. Skin Book. Address: Post-care, Cuticura Dept. T. Boston.

7c bottle-faced men should use Cuticura Soap shaving stick, 25c. Sample 20c.

character of the show and the high class entertainment offered this enterprise should have the hearty co-operation of all.

The price of admission will be \$1.00. Reservation of seats to commence at box office Monday morning, May 19, at 8 o'clock. Tickets may be obtained from C. G. Model, 22 1-2 North Park Place, Automobile phone 4112, or at box office.

TY COBB LEADS LEAGUE IN THE WORK WITH BAT

Chicago, May 17.—Ty Cobb is back in form—at least the unofficial averages for the first month of the season shows the Sluggo leading the American League with a percentage of .475 for the first games in which he has taken part. Five American leaguers are hitting better than .400.

Hendrickson of Boston, .417, Schaffner, Washington, .410, Collins, Philadelphia, .432, Jackson, Cleveland, .423, Lajoie's next with .356.

No National League is slugging at such a rate, the Catfishers of St. Louis for ten games is pretty near the .400 mark with .374 and leads the league.

Viox, Wagner's understudy at short for Pittsburgh, bats .370, .370 to .351. Both are following Erwin, Brooklyn, who is second to Catfishers with .375. Swamy of Boston and Doyle of New York are tied for fifth place with .355. Cleveland with .275 and Pittsburgh with .265 are club leaders at the bat in their respective leagues.

NEWSBOYS ARE EASY VICTORS OVER ST. FRANCIS

The Newark Newsboys, deserting temporarily the marts of trade to show that they have other talents besides those of merchandising, again came out of a baseball game feeling the thrill of a well-earned victory when they defeated the boys of the St. Francis de Sales school Saturday morning by a score of 9 to 1.

The game was played at the Jefferson street grounds and Umpire Somers looked after the disputes to see that none of the arguments reached the point where violence would be resorted to by either side.

The game was featured, according to the official reporters of the newsboys, by the pitching of Snelling and the one hand catch of Stankard who stabbed a line drive with his glove when every base was occupied by an anxious St. Francis runner.

Snelling is some pitcher. He fanned a dozen of the opposing batsmen in the latest game and last Saturday he is said to have caused bewilderment to no less than sixteen youngsters who are still trying to solve the mystery of his curves.

When sought out by the Advocate for an interview on the subject of his ability, Snelling modestly declared that it was nothing.

"What curve did you use," he was asked. "Aw, nuthin' but a 'nin an' a out 'n' a out-drop."

It was clear that he was an easy victor if he was able to serve this great repertoire of curves effectively.

The score: R. H. E. Newsboys 9 8 1 St. Francis 1 3 3 Batteries—Snelling and Gray; McManis, Conley and Gaumerdinger, Hunter.

MR. M. H. CAHILL IS AGAIN WITH B. & O. RAILWAY

J. M. Scott, assistant superintendent of the Cumberland division of the B. and O. railroad with headquarters at Keyser, W. Va., has been promoted to succeed J. F. Keegan, superintendent of the Monongah division, Grafton, W. Va. Mr. Scott will be succeeded by M. H. Cahill, who less than a year ago was superintendent of the Newark division. The promotion became effective Thursday.

Mr. Cahill, who assumes Mr. Scott's duties at Keyser, was born November 19, 1872, and entered the railway service in November, 1887, as a telegraph operator at Lexington, O., on the New Castle division of the Baltimore and Ohio. In October, 1892, he was advanced to train dispatcher at Akron, and in February, 1905, became division operator at Akron. He was promoted to train master of the Pittsburgh division May 3, 1910, and to assistant superintendent of the same division May 1, 1913. In July of the same year he was advanced to superintendent of the Newark division, resigning later to accept a similar position with the Lackawanna railroad at Buffalo, N. Y., from whence he returns to the Baltimore and Ohio.

Postpone the Funeral to Fight a Blazing Bridge

[Associated Press Telegram] Morgantown, W. Va., May 17.—Funeral services were halted temporarily here yesterday at the request of railroad men who left the house of mourning and extinguished a fire which threatened to destroy a trestle on the Kingwood railroad. Going to the scene on a special engine, the men saved the trestle and returned to the home of a dead comrade after an hour when services were resumed.

INDEPENDENTS AS. C. A. C.

The Independent team played the Catholic A. C. team Sunday morning on the 1-50 yard diamond. Game to be called at 10 sharp. The following independent players reported on Tuesday morning: Morrison, Durig, A. F. Ryan, M. J. Welch, Jenkins, St. Paul, and J. Ramsey.

CLAIMS TO HAVE DISCOVERED A LEPROSY CURE

[Associated Press Telegram] Geneva, Switzerland, May 17.—Assertions of proof of Paul Pictet of this city, inventor of liquidized air, that he has discovered a "cold cure" for leprosy, are attracting attention here. He says that many factors in Hawaii are giving him methods a test and have already found them successful. Leprosy are subjected to local application of liquidized carbon dioxide at a very low temperature—the degrees below zero. The intense cold has gradually destroyed microbes of leprosy and the diseased flesh has regained its original health and color.

STAND FOR TRUTH.
Certain Eastern newspapers of the high protection stripe profess indignation because of Representative Underwood's remark that the Bureau of Foreign and Domestic Commerce might be called on to inquire into the facts of the case where manufacturers make the revision of the tariff an excuse for reducing wages.To quote Representative Underwood's exact words:
"When great manufacturing institutions are ready to threaten their laborers with a reduction of wages because they say there has been adverse action and legislation in congress, or to reflect on the action of the government of the United States, that bureau has the power to walk into their offices and ascertain whether there is real reason for their cutting the rates of wages of their labor or whether it is merely a selfish attempt to put money into their own pockets."

What is there to complain of in this? Manufacturers who protest against any changes in the tariff should be the first to welcome the opportunity to prove to the proper government officials that their grievances are justified. If they are not justified certainly the public has a right to know it when a campaign for lower wages is set on foot by special interests that have resisted any reform of the tariff.

Manufacturing industries and interests that for many years have frequented congressional committee rooms and maintained lobbies in Washington to secure the legislation they wanted can have no honest objection to showing how and when they are hurt by tariff revision. If they attempt to deceive the country by dishonest clamor against acts of congress and to rob their workmen by reducing wages on false pretenses, the people have a right to know the real truth.

(New York World.)
From an export business of \$31,000,000 in 1904, President Farrel of the United States Steel Corporation testifies to the development in 1912 of \$92,000,000 in manufactured exports.
It has provided the steel for every steel structure built in Buenos Ayres in the last eight years, and it has done this in open competition with English, German and French manufacturers. Against the same competition it sells bridges in North Africa, pipes for mines in South Africa, rails for a transcontinental Australian road, great amounts of defective material for reworking in China, rails, wire, sheet-iron, tin-plate, throughout South America. Its business extends "from Iceland to the Fiji Islands," and from east to west covers a belt as broad and as far as the habitable globe.
And not once in the course of his examination does Mr. Farrel claim that this export business in general is done at a loss or without a profit.
If the Steel Corporation, paying American wages, can do business at a profit thousands of miles from home in free competition with those who pay European wages, it can evidently do business even more profitably in free competition with the same competitors at home. That it needs a tariff to protect labor or to do more than exact excessive profits is disproved conclusively by these admitted facts of its own business.
A New Jersey judge says every one should spend one day a year in jail. There are certain gentlemen of the leisure class, however, who expect more board at the public expense than that.

So far the Bull Moose refuse all offers of fatted veal cutlets.Panama Canal is Nearly Ready for Ships
It is not impossible that the Panama canal may be open to navigation this year, as Col. George W. Goethals has stated that the passage of ships will be permitted as soon as one set of twin locks can be operated. Work is being pushed on the lower guard gates in the west chambers, in order to have all the gates on this completed as soon as possible, thus permitting the passage of ships before all the gates are completed, as the other side of the locks can be kept dry. The same plan is being followed at Pedro Miguel and Miraflores locks, and all the gates in the west chambers will be completed by October first. Some interesting views of the Canal appear in the June Popular Mechanics Magazine.

To recognize an opportunity you sometimes have to penetrate its disguise.

Uncle Walt's Philosophy

DOGS AND CATS

We always tax man's loving friend, the dog, that's faithful to the end and six months after; and if the dogtax isn't paid we plant the poor woe with a spade, midst insolent laughter; we put poor Fido in the pound or see that he is promptly drowned or else beheaded; the tax unpaid, the canine race is always liable to face a fate that's dreaded. And anger burns within our slates when thinking of the way the cats are always favored, for cats are wicked, sneaking brutes, with midnight vampirism in canyons, and evil savored. They prow around at night and steal, and on your rooftop squawk and squeal when you'd be sleeping; they always have some heinous scheme to swipe the liver or the cream, and set you weeping. They do not guard your home by night (in which good bow wows take delight,) or herd the chickens; they do not drive the cows away, or work the churn, or pull the sleigh, but raise the dickens. They're of no use, the silly saps, except to make a bluff at rats and two-cent mice; they should be taxed to bend the head, until they're driven from the land and from our houses. It isn't fair to put the dog on the assessor's catalogue and skip the tabby; it isn't right to tax the pup and pass the ding-donged toment up—such treatment's shabby.

INTERSCHOLASTIC TRACK MEETING OF OHIO HIGH SCHOOLS

[Associated Press Telegram]
Columbus, O., May 17.—Scores of high school athletes, representing a dozen high schools from every section of the state, arrived here early today to participate in the 1913 Ohio interscholastic track meet on the athletic field at Ohio State university.Representatives from the Toledo high school were confident that they could again carry off the state championship, won by that school three times out of five meets. Columbus North High school probably is the strongest team which will oppose the up-staters.
Other teams which will participate will represent the following high schools: Steel high of Dayton, Washington C. H. Doane academy of Granville, Marietta, Mt. Sterling, Ashland, Kingston, Ashville, Pataskala, Worthington, Columbus East high, Cortland and Clintonville high. Preliminaries in the hurdles and dashes were run this morning, while the first final event was started at 1:30 o'clock. At noon all of the participants attended a training table luncheon at Ohio University.

WILHELM LOSES HIS FIRST GAME

"Lefty" Wilhelm, former Newark pitcher, worked in his first game this season when he pitched for Zanesville against Steubenville at Zanesville. He lost his game, though his work indicated that he is in much better condition than he was last year. He allowed nine hits passed four men and hit one. The hits were scattered enough to keep Steubenville's runs down to four. In former years Wilhelm's wildness has handicapped him in his box work. With anything like control, Wilhelm will prove a valuable pitcher.

EDITOR HAS DISAPPEARED.

[Associated Press Telegram]
Decatur, Ill., May 17.—F. B. Slate, editor of the Mt. Auburn Tribune, who yesterday shot Dr. B. H. Windsor, has disappeared. Efforts made to find him to raise his bail from \$2,500 to \$10,000 have been futile, so far. Dr. Windsor is near death in a Springfield hospital.

THE CHICAGO WAY.

[Associated Press Telegram]
Chicago, May 17.—Records intended to show that one woman dependent upon charity received less than \$300 during 18 months, while approximately \$5,000 was spent in investigating her condition, was produced yesterday before the legislative committee investigating charitable institutions.

FIVE YEARS IN PEN.

[Associated Press Telegram]
Cleveland, O., May 17.—Minnie Williams of Chicago, a pickpocket, who stole \$600 from a downtown merchant today was sentenced to serve five years in the penitentiary.

MARRIAGE OF ROYALTY.

[Associated Press Telegram]
Dresden, Germany, May 17.—The marriage of Prince Henry XXXIII of Prussia, only daughter of Prince Frederick Leopold of Prussia, was celebrated at the new palace here this morning. The ceremony was the same as is to be employed in Berlin on May 21 at the nuptials of her friend and comrade, Princess Victoria Louise, the only daughter of Emperor William.

PENNSYLVANIA WON TRACK MEET.

[Associated Press Telegram]
Pittsburgh, May 17.—The University of Pennsylvania won the annual track meet with Cornell this afternoon in a driving rain storm by the score of 63 points to 51.

There were 218 rural students who took the second test Saturday in the Boxwell examinations by means of which students may attend the city schools, although residing outside the municipality. At the first test, a month ago, 200 were examined and over 100 passed. A few of those who failed in the first test took the second.

The examination was conducted by F. P. Orr, Jacksonville; C. P. Smith, Uta, and J. S. Mason, Hanover, county school examiners.

Mrs. J. M. Broughton and children, Ruth, Sara and Charles, returned to their home on Seventh street today after a month's visit with their parents, Mr. and Mrs. Willis Shipley, near Appleton.

Mr. John P. Sullivan of Hudson avenue, who has been engaged in the bottle works at Paden City, W. Va., the past several months, is home on a short vacation.

It is just as well to remember that the best time doesn't always cost the most money.

The United States last year imported 132,000,000 pounds of cocoa, the greatest amount on record.

WOMAN DRINKS ACID.

[Associated Press Telegram]
Springfield, O., May 17.—Despondent because of ill health, Mrs. Daniel Shay, 25, was found in a serious condition. She drank carbolic acid and her death is certain.

Most girls allow their ideals to develop into mere husbands.

Obituary

MR. JOHN CREE.

Word has been received here of the death of Mr. John Cree, in San Francisco, Calif. Mr. Cree was a former Newark man and was engaged in the contracting business with Mr. William Wilkin. The body will be brought to Newark for burial, the funeral services being held on Tuesday afternoon at 2 o'clock at Cedar Hill cemetery.

MRS. D. W. SHIVELY.

Leah Ream, daughter of Elizabeth and Gabriel Ream, was born in Washington township, Sandusky county, Ohio, April 2, 1844. Died May 14, 1913, aged 69 years, 1 month, 12 days.
She was married to Daniel W. Shively March 28, 1869. To them were born two children, Martin and Mary. Survivors of this city are Hattie M. Weinrank of Woodland, Ill. Deceased has been a resident of Newark about eleven years. She leaves to mourn her death her husband and son of this city, one daughter Mrs. Hattie Weinrank of Woodland, Ill., also three sisters and three brothers: Johnathan Ream and Henry Ream and Mrs. Sarah Lindsay of Helena, Ohio, George W. Ream of Ross Hill, Ohio, and Mrs. Elizabeth Jakes of Millbury, Ohio. Seven grandchildren also survive. Short funeral services will be held Sunday at 10 o'clock a. m., at the home of the son, No. 4 Pleasant street, Rev. Mr. Parker officiating. Interment at Cedar Hill cemetery.

MRS. CARL FUNKE.

Mrs. Lillie Moore Funke passed away very suddenly at about 12 o'clock last night at her childhood home south of Newark.
Mrs. Funke was the third daughter of Jesse R. and Hannah Moore and was born in this county, but for a number of years has made her home in Lincoln, Neb. About a year ago, however, she came with her husband, Carl Funke, to take up her residence at the old home farm. Her whole life has been one of loving service for others. Her hand was always extended to raise the stumbling, and it has been her joy to forget self in her endeavor to make other lives sweeter and better. Besides her husband, Mrs. Funke leaves one child, Mrs. Lynn C. Storey, of Lincoln, Neb.

The funeral arrangements have not yet been made.

CUBAN AVIATOR WINS \$10,000 PRIZE BY GREAT FLIGHT

[Associated Press Telegram]
Key West, Fla., May 17.—Aviator Domingo Rosillo left from the Florida East Coast railroad terminal at 5:30 o'clock this morning in a Moisant aeroplane in his attempt to fly from Key West to Havana in competition for a \$10,000 prize offered by the city of Havana.
Havana, May 17.—Rosillo, the Cuban aviator, arrived here in his aeroplane from Key West at 8 o'clock this morning. The Cuban government offered a prize of \$10,000 to any aviator accomplishing the flight and sent a cruiser and two gunboats to patrol the sea.

REGATTA TODAY ON LAKE CARNEGIE

[Associated Press Telegram]
Princeton, N. J., May 17.—The stage was all set for the third annual triangular regatta of the Princeton Rowing association on Lake Carnegie late this afternoon with the variety of Columbia, Annapolis, Navy Academy and Princeton in the leading roles. Weather conditions could not be much worse for rowing. The day was raw and cold and there was a strong wind blowing from the east. One of the conditions of the race was that it should be for a distance of a mile and five sixteenths.

PROTEST OF D. A. R.

[Associated Press Telegram]
Boston, Mass., May 17.—The Massachusetts Daughters of the American Revolution in state conference here, have voted to send a formal protest to postmaster General Burdette against the use of the familiar navy flag in the cancellation of stamps on mail matter. They declare that by its use, the federal government itself is desecrating its national colors.

WOMAN DRINKS ACID.

[Associated Press Telegram]
Springfield, O., May 17.—Despondent because of ill health, Mrs. Daniel Shay, 25, was found in a serious condition. She drank carbolic acid and her death is certain.

Most girls allow their ideals to develop into mere husbands.

Tommy Found Only Fluffy in the House.

Daddy's Bedtime Story—

The Rabbits That Went Out After Dark.

DADDY laid down his paper. "What is it?" he asked. "Another story?" "Yes," replied Jack and Evelyn, "and please tell it to us right away, for mother says we must go to bed."

"Early to bed, you know," daddy answered, "and early to rise is said to make a man healthy and wealthy and wise."

"At any rate, that was what Mrs. White Rabbit said to her children. As long as they lived at home she could see that they did not stay up late or go out after dark. When Fluffy and Bun and Snow White went to live in the rabbit house in Tommy Tucker's yard it was very different. All Mrs. White Rabbit could do when they parted was to kiss them lovingly on their little pink noses and say, 'Now, my children, I hope you will try to do right and remember all I have taught you.'"

"Fluffy and Bun and Snow White promised, but there were so many lovely things to be seen outdoors that often they were not a bit sleepy when bedtime came."

"One night they heard a scratching at the door of the rabbit house."

"Who's there?" asked Snow White. But there was no answer.

"I'm going out to see what that was," Snow White said.

"Oh, no; don't go!" the others begged. "You know what mother said about going out after dark!"

"But Snow White said he was only going to take a weenty peep, and he opened the door very gently and slipped out."

"Fluffy and Bun waited and waited, but Snow White did not come back. In the morning they hunted for him, but they never saw him again."

"One night as they were sitting in the rabbit house Fluffy and Bun heard a soft purring outside the door."

"I wonder what it can be?" said Fluffy to Bun.

"I'm very, very curious," Bun replied. "Of course I won't go out, but I'm going to take a peep out of the door."

"Bun went to the door, and then he went out and shut the door."

"The next morning when Tommy Tucker came out to see the rabbits he found only Fluffy in the rabbit house. By this time Fluffy had learned to understand human talk pretty well."

"Oh, dear," Tommy Tucker cried; "that horrid gray cat has been here again and stolen another of my white rabbits!"

"And when Fluffy heard that he shuddered and went right into the rabbit house, although it was broad daylight and Ponto, who hates cats, was frisking about with his master."

Little Benny's Notebook

I was out in our back yard yesterday, throwing a bawl up in the air and catching it again, awn akkount of not having enybody elts to thro it to, and pop cam out, saying, Ah, yewthill exponent of the nashnell spourt, how goz it, and I sed, Awl rite, wuhit to have a ketch, pop.

Im gain, sed pop. Meening he wood, and I sed, You bettir put awn wun of my base bawl gloves, pop, its a hard bawl. Wich it was.

Glove nothing, sed pop, wen I was a boy in shoart trousers and lawng legs I ust to skoarn to ware a glove, and, as Shakespear ses, the boy is farther than the man, pitch awn MacDenny, I gess I can take them as strawng as you can send them.

Do you meen for me to thro them awl my mite, I sed.

You reed my very thawts, sed pop, and I sed, Awl rite, hear you go. And I throo the bawl as hard as I cood, wich is pritty hard awl rite, soundng like an exploshin wen it hit his hands, it went so fast.

Ah, sed pop, and I sed, Did I thro it to hard, pop.

You did not, sed pop, rubbing one hand awn his cote, didnt I tell you you coodent possiblerly thro them to hard for me. And he throo the bawl back and I twistel awl up like a regular pitcher and waded my arms around and throo another wun awl my mite, making moor noise, than the athir wun did wen it hit pops hands.

Ow, heck, sed pop, dropping the bawl and rubbing both hands awn his pants, and I sed, Wats the mattir, pop, was that wun to hard.

No, honfownd it, sorteny not, sed pop, I cood hardly feel it, but thare must of bin a pin in that wun or something. And he throo it back agen and thro it.

Because that the only way I can thro awl my mite, I sed.

Well, if you must, you must, I suppose, sed pop. And I dubbed myself up and waded my arms agen and I throo the bawl so hard its a good thing pop dodged, wich he did, and the bawl hit the fents sutch a wack you mite think sumbody was nocking with a ax insted of jost me throing a bawl awl my mite, pop saying, I wasent ready for that wun thats wy I let it go by, I suppose you had a dim sort of ideer that you throo it to hard for me, didnt you.

Yes sir, I sed, Wich I did.

Well, you didnt, sed pop, I gess that will suffice for this afternoon. And he went back in the house and I startid to thro the bawl up in the air and ketch it agen.

Wonderful Skin Salve.

Bucklen's Arnica Salve, is known everywhere as the best remedy made for all diseases of the skin, and also for burns, bruises, and boils. It cures inflammation and is soothing and healing. J. T. Sossaman, publisher of News, of Cornelius, N. C., writes that one box helped his serious skin ailment after other remedies failed. Only 25c. Recommended by F. D. Hall.

The HOME Building Association Co. NEWARK, OHIO

ONE OF THE ILLUSIONS

Which keeps many people from getting ahead is the self-deception involved in the expectation that they will begin to save tomorrow, next week or next fall.

Right NOW, TODAY is the time to begin to save if you really expect to get ahead.

Make this very day the turning point in your life by starting a savings account in the "OLD HOME."

4% OLD HOME

THE BRICKLAYER

will lay a lot more bricks in a day if his mortar is smooth and just of the right consistency. A lot depends on the mixing of course, but a lot more depends on the quality of the cement, lime, sand, etc. Order your building materials here and you'll save a lot on labor. Think that over.

Umbrellas recovered and repaired at Parkinson's Elmwood Court.
At the Orpheum tonight, "Woman Against Woman," a good comedy. All seats 10 cents. 17-2t
Press, pulpit and public highly endorse "An Accursed Inheritance," the marvelous 3 reel temperance drama at the Auditorium tomorrow.
The Light Store.
Gas lights, fixtures, mantles, glassware and electric lamps. Applegate Bros., 10 Arcade Annex. 5-12-6t
Lawn Hose, 10c foot up. Elliott's. 5-1-tf
Give Edmiston a chance on your loose leaf ledger and save money. 17-2t
Ill With Rheumatism.
J. A. Bailes, a well known B. & O. engineer, is confined to his home in South Second street, with rheumatism. 2-28-t
Has Broken Leg.
Mr. Joseph Pfeiffer employed by the B. & O. as an engineer who fell about three weeks ago from his engine, breaking his leg, is recovering at his home in Columbia street.
Notice G. I. A. to B. of L. E.
All members of the G. I. A. to B. of L. E. are requested to meet at the home of Sister Raysinger Sunday afternoon at 1:30 p. m. in order to attend the funeral in a body. 17-1-t
Gentry Bros. Show May 30.
The boys and girls of Newark are showing much interest in the posters which are displayed in various windows telling of the coming of Gentry Bros. show. This event is booked for Newark May 30.
No Objections to Marketmen.
Colten Bros., proprietors of the Union Clothing store in West Main street state that they have no objections whatever to marketmen occupying space in front of their place of business, but that they do object strenuously to the market men advertising competitor's business almost in their own doorway.
First Spring Chickens.
Westbrook Brothers of East Newark have on market today some tender young broilers that tip the scales at from two to two and a quarter pounds which they have been retailing to their friends and customers at 50 cents each. They raised the chicks themselves and say that they have no wish to help keep up the high cost of living, hence the cheap price.
Patrons Week.
The past week witnessed nearly twelve hundred visitors at the public schools and all were highly pleased at the progress made by the scholars and many were the compliments paid the teachers, principals and Superintendent Hawkins. Patrons' Week is an annual event and parents and friends of the schools are always welcomed and a special effort made to acquaint them with the working of the school system.
Splendid Saturday Market.
Hundreds of buyers greeted the market stall keepers Saturday and witnessed a rare display of fresh spring dainties. The market was usually attractive and brisk buying was the rule, especially in the morning hours. Spring vegetables presented an appearance of palatable freshness, probably as a result of the recent showers which brightened growing vegetation and the home-made dainties just in from the farm resulted in rapid sales. The supply was good in most lines, causing activities to continue all day.
Advertising Newark.
It may not be generally known but the fact remains that Newark is very well advertised through her products. The Advocate is in receipt of a postal card from Pittsburgh, Kansas, showing a street car. The writer says that this card is a product of the Jewett Car company of this city and ends the inscription by saying: "Any city you visit you can see something, from a bottle to a street car, made in Newark." The car shown on the postal is the property of the best equipped electric railway in the middle west.
Moose Minstrels May 20.
Newark theatre goers will miss a great treat if they fail to see the Moose minstrel as will be presented by the Zanesville Order of Moose for the benefit of the flood sufferers at the Auditorium May 20. This company is composed of some of the best talent in Zanesville, O. The soloists are all finished singers, the end men are funny and all of the jokes are clean. The olio consists of a number of high class vaudeville acts and the windup drill by the degree team is well worth the price of admission.
Flood Sufferers Send Fervent Thanks
To all those in Newark, Granville and vicinity who sent us articles in a box, just received, we send our most heartfelt thanks and may God preserve all of you from ever having the experience of losing all you have in an hour or two, is the fervent wish of our friends and family of Dayton, Ohio.
Some people are easily pleased, especially with themselves

CORNER STONE FOR NEW TEMPLE ARRIVED TODAY

Workmen Saturday forenoon delivered the corner stone for the new Masonic temple, but it probably will be some time before that part of the structure will be placed, according to information given out Saturday, officers of the local Masonic bodies say. It is impossible to say how soon the corner stone will be swung into position, and therefore nothing definite is known with reference to the program that will be observed on that occasion. It is certain, however, that the ceremony will be according to Masonic ritual, but the big event will be the formal dedication of the building when prominent Masons from over the state will be present.

WILL CELEBRATE FOUNDED OF THE STATE UNIVERSITY

The task of getting in touch with the thousands of graduates and former students of the Ohio State University and interesting them in the coming celebration of the 40th anniversary of the founding of the school, which will be held the second week in June has laid emphasis upon the far-reaching effect which the university has had upon the state. While there are now graduates and students of the big school in practically every nook of the world, the bulk of them are living in Ohio. Figures prepared by H. S. Warwick, secretary of the Ohio State University Association, show that every county in Ohio has a coterie of State University students. The list of these ranges in length from one each in Geauga and Carroll counties to 1033 in Franklin county. The number of students in Licking county number 41. Governor James M. Cox will be one of the chief figures in the anniversary celebration, he having been secured to deliver the commencement address on the closing day, Wednesday, June 11.

INSPECTION TOUR WILL BE MADE BY CANAL COMMISSION

The Ohio canal commission appointed by the recent general assembly to investigate and report on the question of retention or abandonment of the Ohio canal system, will begin its tour of inspection next month. The commission will visit the section of canal passing through Newark and Licking county, passing through this territory in automobiles. State Senator J. J. Wise of the commission announces a meeting of the members in Columbus about the middle of June to discuss legal phases of the question. With a thorough knowledge of legal rights of the state with reference to all sections of the canal and of the condition and outlook of the waterways gleaned by personal inspection, the commission will compile its report. In the southern part of the state 200 miles of canal have already been abandoned. The tour of inspection is expected to occupy at least a month.

INTERNATIONAL CONFERENCE OF THE Y. M. C. A.

Cincinnati, O., May 17.—Reports of various committees and addresses on its work in foreign fields held the interest of delegates to the international conference of Y. M. C. A. here today. Among the various reports submitted were the following "commission of training agencies," by Selden P. Spencer of St. Louis, Mo., "Commission on standardization of membership transfer among associations," by George W. McHaffey of Boston. A report of a committee proposing a counter proposition to that presented by Mr. McHaffey, made by William J. Parker of Chicago and the international committee report. Dr. J. W. Hawkins of Washington, D. C., was scheduled to make an address on "The association and the colored man." The following were to make addresses on the recent progress and present outlook in the foreign field: John R. Mott, New York City; Fletcher S. Brockman, national secretary of China; Chenting T. Wang, Shanghai, China; E. C. Carter, national secretary of India and C. J. Ewald, traveling secretary of South America.

Militants Fire a Tenanted Residence

London, May 17.—The militant suffragettes today made a slight change in their arson campaign. Instead of setting fire to unoccupied houses, they attempted to destroy a tenanted residence at Cambridge. The interior woodwork was greatly damaged and one of the university laboratories adjoining also suffered. Another canister of gunpowder and slugs was found at Bexmoor station, in Hertfordshire, on the London and Northwestern railroad today.

HELD SUNDAY SCHOOL RECORD.

Stonewall, O., May 17.—William A. Jenkins, 81, who held the record in Ohio for attendance at Sunday school, died at Smithfield, this county, today. He never missed Sunday school in over 70 years.

ye love one another with a pure heart fervently; Being born again, not of corruptible seed, but of incorruptible, by the word of God which liveth and abideth forever." Sunday school 10:00 a. m. Wednesday evening service 7:30. Reading room 802 Trust building. This room is open daily except Sunday and legal holidays from 12 to 4 p. m. where the Bible and authorized Christian Science literature may be read or purchased.

NEWARK HIGH SCHOOL NOTES

The preceding school week of May 12th was patrons week at the High school and the institution was honored by the visits of about fifty citizens. Patrons' week was recently inaugurated by the Board of Education for the purpose of giving the parents and guardians of the students an opportunity to witness the daily routine of the school and classes. Hereafter it will be an annual event.

Dr. J. B. Clark of the state department of education was a visitor at the school Friday and gave a very interesting talk to the student body subsequent to the chapel services. The keynote of his speech was "Higher Education."

Next Tuesday evening the Board of Education will elect the teachers for the ensuing year.

O. C. Larason, a former professor and an eminent educator, visited the school Thursday.

The chemistry classes have spent this week in visiting different factories and laboratories in the city accompanied by Prof. Stimson.

At a recent meeting of the High School Athletic association the managers and assistant managers of several teams were elected for the subsequent seasons. Karl Summers is to be football manager; Ivan Green, assistant manager. For the basketball team, Merle Orr was elected as manager and Theodore Neal as assistant.

The members of the football team have elected Fred Nehls for captain next year and the latter men of the basketball squad chose Karl Summers as captain of that team.

The baseball team plays their old rival, Zanesville at Zanesville today. The walloping Zanesville received last Saturday at the hands of our team is still fresh in the minds of the victors.

Prof. E. V. Bowers and his classes in physical geography have been making excursions into the country this week for the purpose of doing field work.

This year's senior play should be the biggest hit of the school. The plot portrays the "militant suffragettes" of England in a very pleasing and semi-farce comedy. Rehearsals have been going on daily for the last month and on the day of its presentation, June 10, "The Weak Sex" should rival the production of the original cast when it made Pinner, its author, famous at its first presentation at the Theatre Royal on September 28, 1888.

Miss Thomas of the faculty has the play under preparation.

George R. Twiss, B. S. C., High school visitor for Ohio State University, spent Friday in examining the different departments of the High school. He is the man who placed the High schools on the accredited list of that institution. The High school seemed to make a very favorable impression upon him.

The National German-American Alliance has offered two exceptionally beautiful silver medals for the two best German essays of the senior class. The contest will be held next week.

Miss Ava Ballou, the youthful poetess of the freshmen class, receives a book of poems entitled "Songs of Love" by John Kendrick Bangs, the prominent humorist, author and poet, who lectured here last winter. This book was sent in reciprocation for some copies of Miss Ballou's poems which she sent him some time ago. He recommended several of the youthful prodigy's poems for publication.

Next Friday evening the chorus class of the High school assisted by the following well known soloists: Mrs. C. W. Miller, soprano; Mrs. J. F. Moninger, contralto; Mr. Joseph W. Horner, tenor, and Mr. James Wolfe of Granville, baritone, will give a concert. The class includes one hundred and fifty students and has been preparing for this exhibition since last September. With the addition of a full orchestra and soloists by aforesaid persons, this program should overshadow any similar entertainment previously given in this city. The proceeds realized will be added to the fund for the White Athletic Field playground.

State of Ohio, City of Toledo, Lucas County, ss.: Frank J. Cheney makes oath that he is senior partner of the firm of J. F. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm is paying the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure. He swears to before me this 6th day of December, A. D. 1913.

W. W. GLEASON, Notary Public. Hall's Catarrh Cure is taken internally and acts directly on the blood and mucous surfaces of the system. Send for testimonials free. P. J. CHENEY & CO., Toledo, O. Sold by all druggists. Take Hall's Family Pills for constipation.

Drink Habit Quickly Ended
by the Neal Treatment now administered at the Columbus Neal Institute, the homestead of Dr. George R. Bissell.

BUCKEYE LAKE OPENS TOMORROW FOR THE SEASON

Buckeye Lake park will make its bow to patrons for the season of 1913, tomorrow. Advance tips from the weather man are to the effect that the pleasures of the opening day will not be marred for picnickers by unpleasant conditions, so it is safe to predict that several thousands from Newark, Columbus and other Central Ohio points will visit the resort.

Manager Harris and his crew of aides have seen to it that everything is ship-shape for the season's opening. All concessionaires are ready for the biggest business in several seasons, while it is likely that Sunday will witness activities of numerous fishing and boating parties and the usual family assemblies for picnicking.

The regular reduced fare will prevail and ample accommodations are promised by the Ohio Electric company.

Californians Want Segregation of All Aliens on Trains

[Associated Press Telegram] Sacramento, Cal., May 17.—Segregation of aliens on passenger trains in California is sought by the state branch of the United Commercial Travelers in convention here. The grand council was asked last night to take the matter up with the state railroad commission. Speakers who urged segregation said they often were put to inconvenience and that their health was imperilled by the presence of "objectionable aliens" in first class coaches.

THE FATHERS MEETING.

Make your arrangements for Sunday evening to attend the Fathers' Meeting to be held at the Second Presbyterian church. It will be a most interesting and unique service.

The committee on arrangements are making very extensive plans to have a meeting that will interest all the men. They have already arranged a full choir of male voices, and if you will attend this service, you will see faces in the choir that have been identified with the music of this church for the past 50 years.

In addition to the male chorus there will be a special quartet of Fathers, that will be one of the features of the musical program. Arrangements have also been made for a quartet of brass instruments that will play some musical numbers, in addition to swelling the volume of the congregational singing. Effort is being made to have a musical program at this service of a very interesting character.

The sermon to be preached by Rev. Tullis will be of unquestionable interest to all the Fathers of the city, and it will be well worth your while to be there. The services throughout will be conducted by the Fathers of the church, and it is to be hoped that the men of the city will take this opportunity of demonstrating to their wives the great interest they have in this special service that is gotten up in their behalf.

An appropriate souvenir will be handed each man present and the special corps of ushers for this occasion will make unusual effort to see that everybody has a good seat. Make your plans to come Sunday evening and bring your wife along, for you will surely enjoy the Fathers meeting.

HOW TO CONQUER RHEUMATISM AT YOUR OWN HOME.

If you or any of your friends suffer from rheumatism, kidney disorders or excess of uric acid, causing lameness, backache, muscular pains, stiff, painful, swollen joints, pain in the limbs and feet, dimness of sight, itching skin or frequent uric acid pains, I invite you to send for a generous Free Trial Treatment of my wellknown, reliable, particularly by mail (this is no C. O. D. scheme). No matter how many may have failed in your case, let me prove to you, free of cost, that rheumatism can be conquered. Chronoleure succeeds where all else fails. Chronoleure cleanses the blood and removes the cause. Also for a weak and run-down condition of the system, you will find Chronoleure a satisfactory general tonic that makes you feel that life is worth living. Please fill your friends of this liberal offer, and send today for large free package, to MRS. M. SUMMERS, 131 E. Washington Avenue, South Bend Ind.

THE BEST HOUSE INSURANCE IS AURORA PAINT

When you decide to have your house painted look into the question carefully. Any paint will put color on it, but it takes a mighty good paint to cover and protect it properly.

AURORA MIXED PAINT

is the last word in paint excellence. It is the result of years of study, experience and experiment by practical painters.

Made from pure lead, scientifically mixed with sufficient inert pigments to add to the durability of the oil.

Aurora is a workable, wearable and weather resisting paint. Spreads easily, covering more surface and giving longer service.

If you are looking for a superior re-finish for wood work, get a can of

SPARTANA
(Formerly Called Spartan Stain)
For refinishing floors, doors, woodwork and all furniture. Any one can use it by following directions,

RESINOL STOPS SKIN TORMENTS

How This Wonderful Ointment Ends Itching and Heals Skin Eruptions.

The soothing, healing medication in Resinol Ointment and Resinol Soap penetrates every tiny pore of the skin, clears it of all impurities, and stops itching instantly. Resinol positively speedsily heals eczema, rashes, ringworm, and other eruptions, and clears away disgusting pimples and blackheads, when other treatments prove worse than useless.

Resinol is not an experiment. It is a doctor's prescription which proved so wonderfully successful for skin troubles that it has been used by other doctors all over the country for eighteen years. No other treatment for the skin now before the public can show such a record of professional approval. Every druggist sells Resinol Ointment and Resinol Soap, but you can test them at our expense. Just write to Dept. 7-M, Resinol, Baltimore, Md., and we will send you by parcel post a generous trial of each, with the two new Resinol Books.

In the Churches

St. John's Evangelical Church.
Sunday school 9 a. m. The young men's class meets in the parlor. English preaching 9:45 a. m. Topic: Christ's Witness of the Kingdom. German preaching 10:30 a. m. Theme, Why are the Church Pews Empty in the Summer? Young people's meeting 7:00 p. m. Prayer meeting Wednesday 7:30 p. m.

This room is open daily except Sunday and legal holidays from 12 to 4 p. m. where the Bible and authorized Christian Science literature may be read or purchased.

NEWARK HIGH SCHOOL NOTES

The preceding school week of May 12th was patrons week at the High school and the institution was honored by the visits of about fifty citizens. Patrons' week was recently inaugurated by the Board of Education for the purpose of giving the parents and guardians of the students an opportunity to witness the daily routine of the school and classes. Hereafter it will be an annual event.

Dr. J. E. Clark of the state department of education was a visitor at the school Friday and gave a very interesting talk to the student body subsequent to the chapel services. The keynote of his speech was "Higher Education."

Next Tuesday evening the Board of Education will elect the teachers for the ensuing year.

O. C. Larason, a former professor and an eminent educator, visited the school Thursday.

The chemistry classes have spent this week in visiting different factories and laboratories in the city accompanied by Prof. Stimson.

At a recent meeting of the High School Athletic association the managers and assistant managers of several teams were elected for the subsequent seasons. Karl Summers is to be football manager; Ivan Green, assistant manager. For the basketball team, Merle Orr was elected as manager and Theodore Neal as assistant.

The members of the football team have elected Fred Nehls for captain next year and the latter men of the basketball squad chose Karl Summers as captain of that team.

The baseball team plays their old rival, Zanesville at Zanesville today. The wallowing Zanesville received last Saturday at the hands of our team is still fresh in the minds of the victors.

Prof. E. V. Bowers and his classes in physical geography have been making excursions into the country this week for the purpose of doing field work.

This year's senior play should be the biggest hit of the school. The plot portrays the "militant suffragettes" of England in a very pleasing and semi-farical comedy. Rehearsals have been going on daily for the last month and on the day of its presentation, June 10, "The Weaker Sex" should rival the production of the original cast when it made Pinnero, its author, famous at its first presentation at the Theatre Royal on September 28, 1888.

Miss Thomas of the faculty has the play under preparation.

George R. Twiss, R. S. C., High school visitor for Ohio State University, spent Friday in examining the different departments of the High school. He is the man who placed the High schools on the accredited list of that institution. The High school seemed to make a very favorable impression upon him.

The National German-American Alliance has offered two exceptionally beautiful silver medals for the two best German essays of the senior class. The contest will be held next week.

Miss Ava Ballou, the youthful poetess of the freshman class, received a book of poems entitled "Songs of cheer" by John Kendrick Bangs, the prominent humorist, author and poet, who lectured here last winter. This book was sent in reciprocation for some copies of Miss Ballou's poems which she sent him some time ago. He recommended several of the youthful prodigies of poems for publication.

Next Friday evening the chorus class of the High school assisted by the following well known soloists: Mrs. C. W. Miller, soprano; Mrs. H. F. Moninger, alto; Mr. Joseph W. Horner, tenor, and Mr. James Wolfe of Granville, baritone, will give a cantata. The class includes one hundred and fifty students and has been preparing for this exhibition since last September. With the addition of a full orchestra and soloists by aforesaid persons, this program should overshadow any similar entertainment previously given in this city. The proceeds realized will be added to the fund for the White Athletic Field playground.

State of Ohio, City of Toledo, Lucas County, ss.: Frank J. Cheney makes oath that he is senior partner of the firm of P. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure. FRANK J. CHENEY. Sworn to before me and subscribed in my presence this 6th day of December, A. D. 1886.

A. W. GLEASON, Notary Public. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces of the system. Send for testimonials free.

F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Take Hall's Family Pills for constipation.

Salvation Army.
Sunday school at the old church, Fourth and Church streets, 2 p. m. Open air service at the corner of Third and Main streets, 2:30 p. m. Open air services at the corner of Third and Main streets 7:00 p. m. Salvation Army meeting at the old church 8:00 p. m. Topic: The King Rides into the Capital. Good singing and special speaking. All are welcome. Admission free.

Pythian Memorial Services.
The K. of P. orders of the city and county will observe Sunday, June 1st, as Memorial Day. Hon. S. H. Nicholas of Coshocton will be the principal speaker of the day. It is desired by the committee that all members of the order be present to pay respect to their departed brethren. The Pythian sisters are invited to participate in this service.

BUCKEYE LAKE OPENS TOMORROW FOR THE SEASON

Buckeye Lake park will make its bow to patrons for the season of 1912, tomorrow. Advance tips from the weather man are to the effect that the pleasures of the opening day will not be marred for picnickers by unpleasant conditions, so it is safe to predict that several thousands from Newark, Columbus and other Central Ohio points will visit the resort.

Manager Harris and his crew of aides have seen to it that everything is ship-shape for the season's opening. All concessionaires are ready for the biggest business in several seasons, while it is likely that Sunday will witness activities of numerous fishing and boating parties and the usual family assemblies for picnicking.

The regular reduced fare will prevail and ample accommodations are promised by the Ohio Electric company.

Californians Want Segregation of All Aliens on Trains

[Associated Press Telegram] Sacramento, Cal., May 17.—Segregation of aliens on passenger trains in California is sought by the state branch of the United Commercial Travelers in convention here. The grand council was asked last night to take the matter under consideration. Speakers who urged segregation said they often were put to inconvenience and that their health was imperiled by the presence of "objectionable aliens" in first class coaches.

THE FATHERS MEETING.

Make your arrangements for Sunday evening to attend the Fathers' Meeting to be held at the Second Presbyterian church. It will be a most interesting and unique service. The committee on arrangements are making very extensive plans to have a meeting that will interest all the men. They have already arranged a full choir of male voices, and if you will attend this service, you will see faces in the choir that have been identified with the music of this church for the past 50 years.

In addition to the male chorus there will be a special quartet of Fathers, that will be one of the features of the musical program. Arrangements have also been made for a quartet of brass instruments that will play some musical numbers, in addition to swelling the volume of the congregational singing. Effort is being made to have a musical program at this service of a very interesting character.

The sermon to be preached by Rev. Tullis will be of unquestionable interest to all the Fathers of the city, and it will be well worth your while to be there. The services throughout will be conducted by the Fathers of the church, and it is to be hoped that the men of the city will take this opportunity of demonstrating to their wives the great interest they have in this special service that is gotten up in their behalf.

An appropriate souvenir will be handed each man present and the special corps of ushers for this occasion will make unusual effort to see that everybody has a good seat. Make your plans to come Sunday evening and bring your wife along, for you will surely enjoy the Fathers' meeting.

HOW TO CONQUER RHEUMATISM AT YOUR OWN HOME.

If you or any of your friends suffer from rheumatism, kidney disorders or excess of uric acid, causing lameness, backache, muscular pains, stiff, painful, swollen joints, pain in the limbs and feet; dimness of sight, itching skin or frequent nervous pains, I invite Treatment of my well-known, reliable (Chronicle, with references and full particulars by mail. (This is no C. O. D. scheme.) No matter how many may have failed in your case, let me prove to you, free of cost, that rheumatism can be conquered. Chronicle succeeds where all else fails. Chronicle loosens the blood and removes the cause. Also for a weakened, run-down condition of the system, you will find Chronicle a satisfactory general tonic that makes you feel that life is worth living. Please send your friends of this liberal offer, and send today for large free package, to MRS. V. SEYMERS, 331 E. Washington Avenue, South Bend Ind.

THE BEST HOUSE INSURANCE IS AURORA PAINT

When you decide to have your house painted look into the question carefully. Any paint will put color on it, but it takes a mighty good paint to cover and protect it properly.

AURORA MIXED PAINT

is the last word in paint excellence. It is the result of years of study, experience and experiment by practical painters.

Made from pure lead, scientifically mixed with sufficient inert pigments to add to the durability of the oil.

Aurora is a workable, wearable and weather resisting paint. Spreads easily, covering more surface and giving longer service.

If you are looking for a superior re-finish for wood work, get a can of

AT 10c.CONVENTION OF
LICKING COUNTY
SUNDAY SCHOOLSWill Be Held in First M. E. Church
in this City, May 22, 23 and 24.

MISS EDNA EARL COLE

The teacher training commencement exercises and the class address by Dr. H. M. Hamill, Nashville, Tenn. chairman of the International committee on education promises to be one of the most interesting features of the 31 conventions of the Licking County Sunday School association to be held this day Friday and Saturday, May 22, 23 and 24 in the First M. E. church, Newark.

Rev. Mr. Hamill is but one of the several prominent Sunday school workers who will appear on the program. A conference on Knott's Sunday School Problems will follow an address Friday morning by Miss Edna Earl Cole, Sunday school specialist, of Berkeley, Ill.

Mrs. Lillian Burt of Columbus State Temperance Department, superintendent will explain her ideas on Scientific Temperance Instruction at the Friday afternoon session. The opening address of the afternoon meeting will be made by Dr. Hamill, who will discuss "The Art of Sunday School Management" and the closing address of the afternoon, "Wayward Weeds and Garden Flowers" will be made by Miss Cole.

At the conclusion of the commencement exercises Friday evening C. W. Sinn of Columbus general secretary of the Ohio Sunday School association, will address the convention on "The Sunday School and Social Service." The committee in charge of the program has arranged to hold an overflow meeting at the Fifth Street Baptist church at the attendance Friday evening demands it. This meeting will be addressed by Mr. Sinn and Miss Cole.

Mr. Sinn, Miss Cole and Rev. Mr. Hamill will deliver addresses at the two closing meetings of the convention Saturday. Perhaps one of the most important addresses of the convention will be that by Dr. Hamill Saturday afternoon in which he will discuss the value of child training in his lecture on "Formation Versus Retention."

Miss Cole will conduct a meeting for girls at the Fifth Street Baptist church from two to three o'clock Saturday afternoon and M. C. Buvel of Columbus assistant secretary of the Ohio Sunday School association will talk to the boys at the same hour.

and Roland lodge, No. 10, and it is interestingly hoped that it will be in line with the order of the lodge, which the service will be held after the service of the departed. The lodge will address the assembly crowd on the subject of the lodge and will inspire all who are in mind and be on hand Sunday night to take part in this strictly lodge meeting. The lodge will be held on Friday night, May 22, at 8 o'clock, and will be held on Saturday night, May 23, at 8 o'clock, and will be held on Sunday night, May 24, at 8 o'clock.

This has been a busy week for Newark lodge, No. 10, and it is interestingly hoped that it will be in line with the order of the lodge, which the service will be held after the service of the departed. The lodge will address the assembly crowd on the subject of the lodge and will inspire all who are in mind and be on hand Sunday night to take part in this strictly lodge meeting. The lodge will be held on Friday night, May 22, at 8 o'clock, and will be held on Saturday night, May 23, at 8 o'clock, and will be held on Sunday night, May 24, at 8 o'clock.

NEWARK LODGE, NO. 10, K. OF P. Newark lodge, No. 10, K. of P., held its regular session Thursday night. The usual order of business was observed in a short time and the members of the lodge were present. The lodge was making a fine record and had secured a special quartet and band. A communication from the grand lodge was read asking that our representatives be instructed to vote for a resolution to appropriate \$400 for lodges that suffered from recent floods. The amount usually allowed representatives to the lodge was \$100. Brother Van from Roland lodge was on hand with two boxes of books which were very much enjoyed and appreciated by all.

Consipation Cured
Dr. King's New Life Pills will relieve constipation promptly and get your bowels in healthy condition. Says John Sapce, of Sunbury, Pa.: "These are the best pills I ever used, and I advise everyone to use them for constipation, indigestion and liver complaint." Will help you. Price 25c. Recommended by F. D. Hall.

AMUSEMENTS

"An Accursed Inheritance."
"An Accursed Inheritance or Sins of the Fathers" the wonderful three part temperance drama which comes to the Auditorium tomorrow is said to be the greatest picture ever shown on a screen. Rev. W. H. Jackson of New York, says: "It is a sad truth which is perhaps more conspicuous than the producers of the picture supposed that the time at which each particular evil was wrought was at a religious ceremony. The first tragedy, the death of the old father happened at a wedding, the second, the death of the young wife and mother was at another christening the third tragedy, the death of the young prospective bride was in connection with the preparation for the wedding festivities. Does not this film accomplish more than was originally intended? It is a picture worthy of the attention of every teacher, minister, scholar and all mankind for it teaches the greatest moral lesson it is possible to imagine."

"The Vengeance of Skystone."
This splendid feature film of the 131 Bison company will be shown at the Auditorium tomorrow. It is a two-reel and tells a story of the Hopi Indians. It adheres closer to Indian customs than usual and furnishes a relief from the familiar warfare between the soldiers and rebellious tribes. In addition to the two big feature pictures, there will be two laughable comedies to relieve the tense moments of the dramatic films. The Auditorium orchestra will render a special program.

WOMAN AGED 88
KNOCKED DOWN
BY AUTOMOBILEBecame Confused and Jumped in
Front of Machine, Sustaining
Slight Injuries.

Dazed by the approach of a machine, Mrs. Sarah J. Mills, age 88, was knocked down by an automobile driven by Mr. Louis Spees on Friday afternoon in North Cedar street.

Mr. Spees and party were returning from the Hallbrook greenhouse in North Cedar street and as they neared the Pennsylvania crossing Mr. Spees slowed the machine up. Mrs. Mills had just crossed the tracks going north on Cedar street. She was in the path of the machine and as Mr. Spees turned out she darted in front of it. The aged woman was knocked down but before the wheels could pass over her body the driver had stopped the machine.

She was taken in the machine to the home of her daughter Mrs. C. P. Brown in East Indiana street, where Dr. D. H. Miller and Mr. D. M. Smith were called. An examination showed that while no bones had been broken, one hip had been partially dislocated and she had received a number of bruises.

Because of her age the injuries are more serious but on Saturday morning she was resting quite comfortably. It would seem that Mrs. Mills is in the habit of wandering from her home and had been gone from home but a short time when the accident occurred.

OPERATION FOR
EYE TROUBLE WAS
VERY SUCCESSFUL

Dr. H. T. Emery, dentist undertook a successful operation at the Sanatorium for optical trouble. Dr. Price performed the operation. Dr. Emery states that the eye specialist's efforts were so successful and his treatment at the Sanatorium so excellent that he expects soon to be back at work. His office is in charge of a lady who will provide his patients with information arrange for work or receipt for accounts as may be desired.

Federal Engineers
Make Suggestions
for Improvements

Mr. Vernon May 17—In a letter from Harold C. Price, secretary of the board of government engineers in charge of the flood prevention in Ohio, water bridge spans are recommended to relieve the situation here. The federal engineers offer to go over any plans which might be drawn by city or county engineers and make criticisms or suggestions as may appear. The value of a masonry arch bridge at the foot of Main street is pronounced by the engineers to be the chief offender within the city. The widening of the river channel at this point is one of the urgent needs, according to the engineers.

Can a man get the reputation of being a rolling stone and still be on the level?

THE NECESSITY OF
GOOD CORSETS

THOUGH fully appreciated by the initiated, cannot be too strongly recommended to those who do not realize this fact. Good corsets are not necessarily expensive.

American Lady Corsets

are perfect in every detail as to modish design, exquisite materials, fine workmanship, and faultless fittings, and yet AMERICAN LADY CORSETS retail from \$1.00 to \$5.00 per pair, which comes within the reach of all particular dressers.

We suggest that you ask in our corset department to see the very latest models and to satisfy yourself as to their merits.
